Dear Sir/Madam,

12-02-2026

We are extremely happy to inform you that the Bar Council of Kerala has established an Advocates Academy for imparting Continuing Legal Education for lawyers. The Academy envisages multi-layered drive to augment capacity building of the Advocate fraternity of Kerala through purposive indulgence by imparting structured Continuing Legal Education through multiple platforms. It also envisages reflective professional development to link with Certificate of Practice (Co P) Renewal.

The Bar Council of Kerala framed Rules in broad harmony with the BCI Certificate & Place of Practice (Verification) Rules, 2025 to fulfill the obligatory duties bestowed on the State Bar Councils. The attempt to link the renewal of Co P with the above condition precedent, is in consonance with the general obligatory statutory duties vested in the State Bar Council to maintain the roll of Advocates who are fit and proper and available for being engaged by the litigant public which is a solemn objective of the Advocates Act, 1961.

The Academy therefore offer Refresher Courses. The Refresher Course will be a three-tier course having a duration of 3 days transacting the curriculum for a minimum of 5-hours on each day. The design of the Course are aimed at augmenting proficiency at the professional level on a purposive basis. The Academic Council decided to conduct an inaugural function to launch the **Refresher Course of the First Batch on 28-02-2026 at the High Court Auditorium, Ernakulam at 10 am.**

Hon'ble **Mr. Justice Kurian Joseph**, former Judge, Supreme Court of India has kindly consented to inaugurate the first batch of the Refresher Course. The Hon'ble **Mr. Justice N. Nagaresh**, Judge, High Court of Kerala, has also kindly consented to deliver the Keynote Address.
